KEVIN POWELL

SOFTWARE DEVELOPER

PROFESSIONAL PROFILE

things about myself that show how I'm qualified for your position.
But I still lack the confidence to prove I will bring value to your team.
Work ethic is important to me along with time management.

CERTIFICATES

- Microsoft Technology Associate 99-361 Software Development Fundamentals
- Microsoft Technology Associate 98-364 Database Fundamentals
- Basic Technical Certificate
- Intermediate Technical Certificate
- Advanced Technical Certificate
